**RECEIVED**

~~AUG 18 2004~~

~~OFFICE OF THE SPECIAL  
PROGRAMS EXAMINER~~

On June 4, 2003, applicant caused to be filed a Petition to Withdraw the Holding of Abandonment and to accept payment of the issue fee, of which a copy is attached. On September 26, 2003, applicant filed a supplemental letter inquiring as to the status of the Petition to Withdraw the Holding of Abandonment.

Applicant has now attended to a review in the U.S. PTO of the status of the subject application, and applicant has been informed that the file is currently in storage in a PTO warehouse.

Apparently the Petition to Withdraw Holding of Abandonment was never entered, neither was a subsequently faxed copy of the Petition to Withdraw Holding of Abandonment.

Applicant therefore now respectfully renews this Petition to Withdraw the Holding of Abandonment and requests that the paid issue fee be applied to this application, and that the application be reinstated and a patent issue in due course.

It is requested that any fee be debited to the account of the undersigned  
#19-4675.

Respectfully submitted,

**PETITION TO WITHDRAW HOLDING OF ABANDONMENT  
AND TO ACCEPT PAYMENT OF ISSUE FEE**

June 4, 2003

Honorable Commissioner of Patents  
and Trademarks  
Washington, D.C. 20231

Applicant herewith petitions for an Order withdrawing the holding of abandonment of the subject application and accepting payment of the issue fee in connection therewith.

The subject application became abandoned because applicant did not timely receive the Notice of Allowance in the subject application.

The Notice of Allowance bears a mailing date of June 20, 2002, and therefore would have been due before September 20, 2002.

However, counsel for the applicant never received the original Notice of Allowance.

The undersigned has carefully reviewed the entire file and the file jacket of the application Serial No. 09/380,410, but there is no indication therein that the Notice of Allowance dated June 20, 2002 was timely received.

Attached hereto are copies from the computer and hand entry docket records for the subject application maintained by counsel for the applicant.

If the Notice of Allowance had been timely received, it would have been docketed for payment on the day before the due date, namely September 19, 2002. It is noted that there is no entry thereon.

Inexplicably, on April 15, 2003, counsel for the applicant received via fax a copy of the Notice of Allowance sent from fax number (703) 308-5841, PTO Group 2800, Floor 9.

It was upon receipt of this copy of the Notice of Allowance that counsel for the applicant first became aware that the subject application had been allowed.

Applicant thereafter prepared the required formal drawings which were filed on May 22, 2003.

Counsel for applicant now submits herewith the issue fee transmittal form and requests that any holding of abandonment of the subject application be withdrawn and that the issue fee be accepted for the subject application.

It is requested that the issue fee be debited to the account of the undersigned, 19-4675.

Respectfully submitted,

Michael J. Striker
